5. Detailed Instructions

5.1 Appoint the SOP Team

- The chairman appoints the appropriate individuals who have a thorough understanding of ethical review process to form the SOP writing team

5.2 List all relevant SOPs

- Determine the needed SOPs for the proper function of the CHH IRB
- Write down step by step all IRB procedures.
- Organize, divide and name each process.
- Make a list of SOPs with coding reference (ANNEX 1)

5.3 Coding SOPs

Each SOP is given a number and a title that is self-explanatory and is easily understood. A unique code number with the format SOP/XXX/VV will be assigned to each SOP item by the *Chairman*. XXX is a three-digit number assigned specifically to the SOP. VV is a two-digit number identifying the version of the SOP.

Each annex will be given a unique code number with the formatting provided by the Joint Commission International (JCI), which is HRP-IRB-NNN. HRP is the abbreviation for Human Subjects Research Programs; IRB is the abbreviation of the Department/Division which is the Institutional Review Board and NNN is the count for the number of forms.

5.4 Write and approve SOP

When the need for a new SOP has been identified and agreed on, a draft will be written by a designated member of the CHH IRB by the chairman.

The draft SOP will be discussed with institutional review board members and all relevant administrative staff. The SOP should be agreed upon by the people involved in that particular task. The final version of the SOP will be submitted to the Chairperson for review and approval prior to the approval by the Medical Director/COO.

5.6 Review and request for a revision of an existing SOP

- Any member of the ethics committee, secretariat or administrative staff who notices an inconsistency between two SOPs or has any suggestions on how to improve a procedure should use the form in Annex 3 to make a request.
- If the Chairman agrees with the request, an appropriate team will be designated to proceed with the revision process. If the committee does not agree, the chairperson will inform the person who made the request of the decision.
- Revision of the SOPs will be reviewed and approved in the same manner as new SOPs.
